ADMINISTRATOR

Pengelolaan konten pada website utama dilakukan oleh administrator dengan mengunjungi website Content Management System yang dapat dikunjungi di link ini <https://cms.ecotainment.godongijo.com>

Halaman Login

Untuk melakukan login sebagai Administrator, isi form login yang terdiri atas username dan password [1]. Lalu tekan tombol Masuk [2].

Login Berhasil

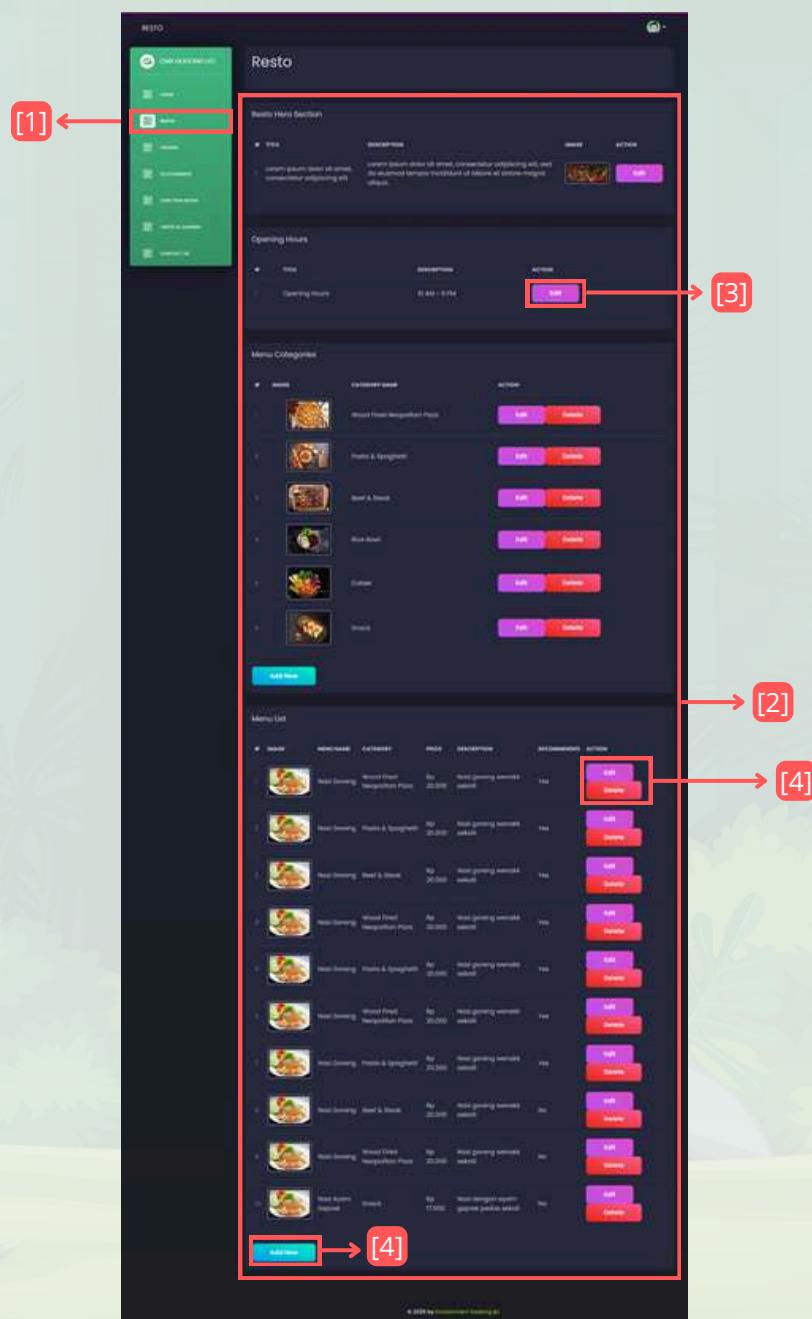

Jika username dan password yang dimasukan benar, pengguna akan ditujukan ke dalam dashboard website. Dalam website ini memiliki sidebar yang memiliki 7 menu untuk mengelola konten website utama sesuai dengan halaman pada menu tersebut [1]. Untuk logout, administrator dapat menekan ikon dropdown disamping avatar [2] dan menekan tombol logout untuk keluar website [3].

This screenshot shows the CMS Godong UI Home page. A red box highlights the sidebar on the left, which contains the following menu items: HOME, RESTO, FISHING, ECOTOURISM, FUNCTION ROOM, VERTICAL GARDEN, and CONTACT US. An arrow labeled [1] points to the 'HOME' item in the sidebar. At the top, there is a green success message: 'Login successful! Welcome back!' with a close button. The main content area features a 'Hero Section' table with one row. The row contains the title 'The Waterfall Resto N' and the description 'Monster Fishing Lake'. Below the table is a 'Carousel Resto' section.

This screenshot shows the CMS Godong UI Home page after logging in. The sidebar remains the same as in the previous screenshot. In the top right corner, there is a user profile icon with a dropdown arrow, and a red box labeled [2] points to it. Next to the profile icon is a 'Log out' button, which is also highlighted with a red box and labeled [3]. The rest of the page content is identical to the first screenshot, including the hero section table and the carousel.

Melihat Konten Halaman Tertentu

Untuk melihat konten pada suatu halaman, administrator dapat menekan salah satu menu pada sidebar. Dalam panduan kali ini kita akan mencoba melihat konten untuk Resto, tekan menu Resto untuk melihat konten resto [1]. Pada bagian kanan merupakan daftar tabel konten yang ada pada halaman resto [2]. Setiap konten memiliki aksi yang berbeda beberapa konten hanya bisa diedit karena konten bersifat statis [3]. Beberapa konten seperti menu resto dapat dilakukan aksi Add, Edit, dan Delete [4].

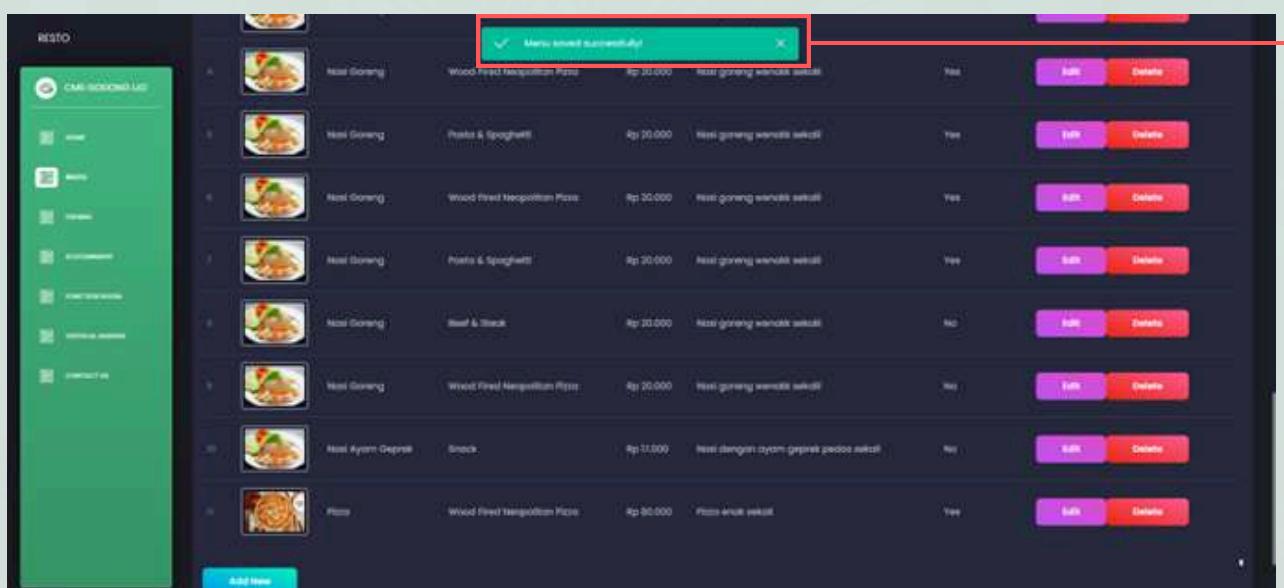

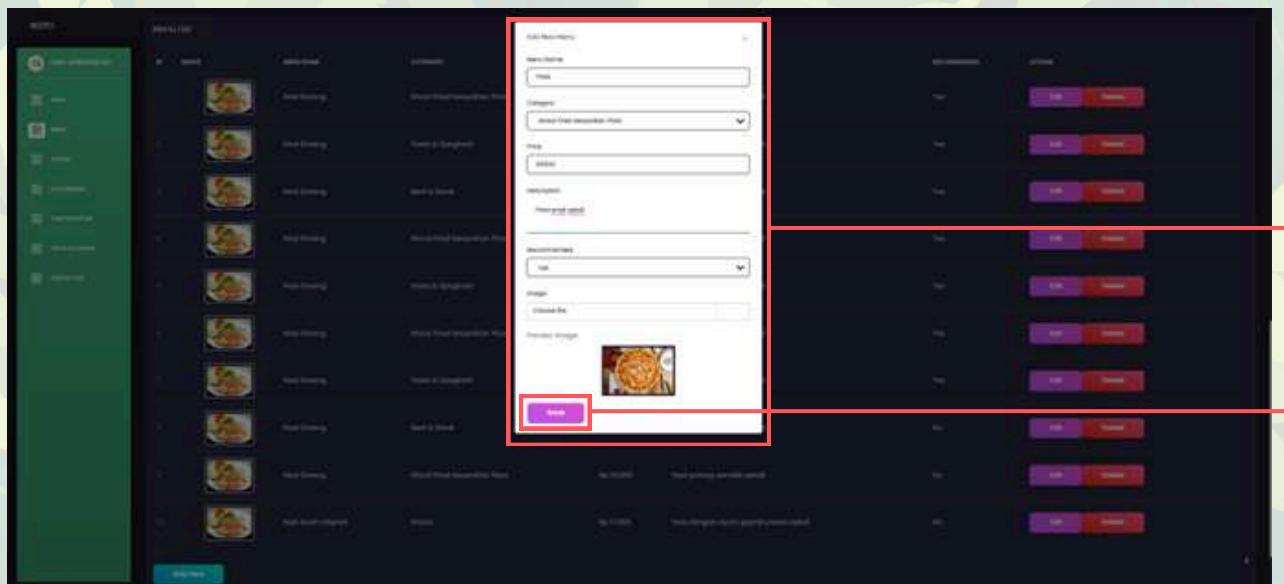

Menambah Konten Halaman

Untuk menambah konten, administrator dapat menekan tombol Add New pada bagian bawah tabel [1]. Pada contoh kali ini kita akan menambahkan menu resto. Setelah menekan tombol akan tampil form tambah menu baru [2]. Isi form dengan lengkap [3], lalu tekan tombol Save [4]. Jika tambah konten berhasil akan tampil notifikasi berhasil tersimpan [5].

The screenshot shows the 'RESTO' CMS interface with a dark theme. On the left is a sidebar with a green header 'CMS GODONG UIO' containing links for HOME, RESTO, FORMS, MASTERS, FUNCTION ROOM, VERTICAL GARDEN, and CONTACT US. The main area has a title 'Menu List'. Below it is a table with columns: #, IMAGE, MENU NAME, CATEGORY, PRICE, DESCRIPTION, RECOMMENDED, and ACTION (Edit, Delete). There are 8 rows of data. At the bottom left of the main area, there is a blue button labeled 'Add New' which is highlighted with a red box and labeled [1].

This screenshot shows the 'Add New Menu' dialog box, which is a modal window overlaid on the 'Menu List' page. The dialog has a white background and a red border. It contains the following fields: 'Menu Name' (input field), 'Category' (dropdown menu), 'Price' (input field), 'Description' (input field), 'Recommended' (dropdown menu set to 'No'), and 'Image' (input field with 'Choose file' button). At the bottom is a purple 'Save' button. The background of the dialog shows the same 'Menu List' table from the previous screenshot, with the first row visible. A red box highlights the dialog and is labeled [2].

Mengubah Konten Halaman

Untuk mengubah konten, administrator dapat menekan tombol Edit pada kolom Action [1]. Setelah menekan tombol akan tampil form ubah menu [2]. Ubah konten yang ingin diubah[3], lalu tekan tombol Save [4]. Jika ubah konten berhasil akan tampil notifikasi berhasil tersimpan [5].

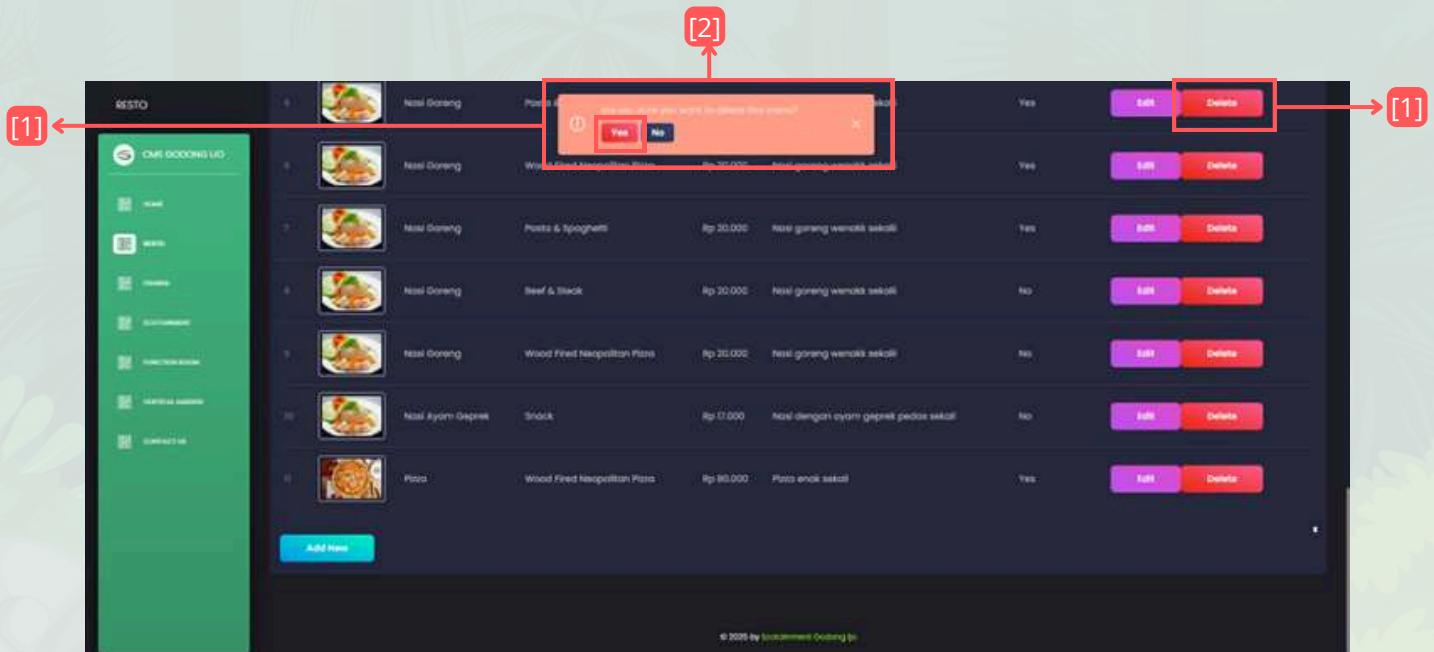

The screenshot shows the RESTO CMS interface with a sidebar on the left containing links like Home, RESTO, Function, Entertainment, Function Room, Vertical Banner, and Contact. The main area is titled 'Menu List' and displays a table of menu items with columns for #, IMAGE, MENU NAME, CATEGORY, PRICE, DESCRIPTION, RECOMMENDED, and ACTION. The first item, 'Nasi Goreng' from the 'Pasta & Spaghetti' category, has its 'Edit' button highlighted with a red box and labeled [1].

This screenshot shows the 'Edit Menu' dialog box overlaid on the menu list. The dialog has fields for Menu Name (set to 'Pizza update'), Category (set to 'Wood Fired Neapolitan Pizza'), Price ('Rp 0000'), Description ('Pizza enak sekali'), Recommended ('Yes'), and an Image section with a preview of a pizza image. The 'Save' button at the bottom is highlighted with a red box and labeled [4]. The background menu list is visible on the right, with a red box highlighting the 'Edit' button for the second item, labeled [2]. A red arrow labeled [3] points to the 'Menu Name' field.
